

09:00-19:00 Registration Open

**10:30-13:00 EXECUTIVE ROOMS 1 & 2**  
**Endoanal Ultrasound Training Session –**  
**organized by BK Medical**

This session will provide the opportunity to practise the technique of endoanal ultrasound using simulators. The session will cover normal anatomy and the common pathologies found – sphincter tears and anal sepsis. Places are limited to 35 and will be awarded on a first-come first served basis.

*Delegates who book this session will be requested to send a cheque for £50 payable to the Bowel Disease Research Foundation by a specified date as a returnable deposit. If the deposit is not received by deadline, the place will be released for reallocation. If the delegate attends the session their cheque will be returned to them.*

**10:00-12:30 HALL 1**  
**GI Motility for the Colorectal Surgeon**  
**Symposium organized by Shire**
